There are many ways you can meet the CCAP child development, health, and safety training requirements. Find the one option that works best for you.

**Option 1**

**Training Route**
- Child Development, Health, and Safety Basics Training
- Child Abuse and Neglect/Mandated Reporter Training
- CPR/First Aid Certifications
- What is CCAP? (for directors and primary caregivers defined above)

**Option 2**

**ECE Level 1 Training Route**
- ECE Credential Level 1 Training - Tier 1 (Modules 1-2c)
- Child Abuse and Neglect/Mandated Reporter Training
- CPR/First Aid Certifications
- What is CCAP? (for directors and primary caregivers defined above)

*This option provides a CCAP add-on rate for License-Exempt Family Child Care Home Providers.*

**Option 3**

**School-Age Route**
Providers who only care for school-aged children (ages 5-13), can choose to take the School-Age and Youth Development Credential Level 1 Training. They would complete the following:
- SAYD Credential Level 1 Training (Modules 4a & 4b)
- Child Abuse and Neglect/Mandated Reporter Training
- CPR/First Aid Certifications
- What is CCAP? (for directors and primary caregivers defined on previous page)

*For the purpose of CCAP, a school-age child is a child ages 5-13 (or through the age of 18 if approved for CCAP due to a special need or court order) who is enrolled in school. A five year old child is considered school-age only when enrolled in a school based kindergarten. This enrollment does not include a before/after school program. License-Exempt, Relative, Family Child Care Homes caring for school-age only children are exempt from the requirements.*

**Option 4**

**Gateways Credential Route**
Any one of the following Gateways Credentials meets the Child Development, Health, and Safety Basics Training requirement.
- ECE Credential Levels 1-6
- Infant Toddler Credential (ITC) Levels 2-5
- Illinois Director Credential (IDC) Credential Levels I-III
- Family Child Care Credential (FCC) Levels 2-5

Also complete the following:
- Child Abuse and Neglect/Mandated Reporter Training
- CPR/First Aid Certifications
- What is CCAP? (for directors and primary caregivers defined above)

**Option 5**

**CDA Route**
Any one of the following Child Development Associates (CDA) meets the Child Development, Health, and Safety Basics Training requirement and must be self-reported into the Registry.
- Preschool CDA
- Infant Toddler CDA
- Family Child Care CDA

If you have a Preschool CDA also complete the following:
- Sudden Infant Death Syndrome (available only online through i-learning)
- A Preventable Tragedy: Shaken Baby Syndrome (available only online through i-learning)
- Child Abuse and Neglect/Mandated Reporter Training
- CPR/First Aid Certifications
- What is CCAP? (for directors and primary caregivers defined above)

If you have an Infant Toddler CDA or Family Child Care CDA also complete the following:
- A Preventable Tragedy: Shaken Baby Syndrome (available only online through i-learning)
- Child Abuse and Neglect/Mandated Reporter Training
- CPR/First Aid Certifications
- What is CCAP? (for directors and primary caregivers defined on previous page)
