

Time Sequence and Agenda

Description: This training provides information on caring for children with special needs in typical child care settings. The training helps increase the knowledge and comfort level of participants to enhance their ability to care for young children with disabilities in early childhood environments. Adaptations and modifications that will assist all children to participate in activities will be discussed. This meets the DCFS requirement for early childhood providers in special care inclusion training.

Materials Needed:

- Welcoming Each & Every Child Participant Manual – 1 per participant
- DVD – Welcoming All Children: Creating Inclusive Child Care
Available online at: <https://www.youtube.com/watch?v=-ezKhFUFmbI>
