Disability

by Carole Brown,
Samara Goodman,
and Lisa Küpper

Links updated,
March 2020

The birth of a child with a disability, or the discovery that a child has a disability, can have profound effects on the family. In "[You are Not Alone](#)," Patricia McGill Smith offers the insights that she and others have gained through their own experience of having a child with a disability. **In this article, we will provide additional information to support the life cycle, health, and well-being of the family when a member has a disability.**

It is with a great deal of humility that we are even attempting to describe what the future may hold for
