# Household Safety Checklists

 [Print](#)

An accident or injury can occur in any part of your home. Some safety hazards are obvious — such as a toy truck left lying at the top of the stairs. Others are not so easily identified — such as a stairway railing that has become loose.

To get started, click on a checklist below. Use these checklists to make a safety check of your home. You should answer "yes" to all of the questions.

- [Kitchen Safety Checklist](#)
- [Bedroom Safety Checklist](#)
- [Bathroom, Laundry, and Garage Checklist](#)
- [Doors, Windows, Stairways, and Home Furnishings Checklist](#)
- [Electrical and Equipment Checklist](#)
- [Outdoor, Pool, and Other Safety Issues Checklist](#)
