Using *Milestones in Action*

Parents and Caregivers

Click on an age above to see photo and video examples of important developmental milestones.

- Use this library as an aid in completing the [milestone checklist](#) for your child's age.
- Complete an interactive milestone checklist that features videos and images from this library with CDC's free [Milestone Tracker](#) app.

Professionals

No permissions are needed to use the photos and images in this library for educational or awareness-building purposes.

- Embed and share photos and videos on your website and within presentations
- Implement a training inspired by [Promising Practices](#), using photos and videos as a support.
- Use *Milestones in Action* to support observations and conversations with parents on age-appropriate milestones
