

Active Playful Learning Scavenger Hunt!

Tomorrow (April 11th), you will attend wonderful sessions and undoubtedly notice various elements of APL incorporated in different ways. As you attend these sessions, please use the reverse side of this sheet to document some times and ways that you experienced APL pillars, practices, and/or Cs. As you make notes, think about your engagement and learning at these moments and how the APL elements may have impacted those things. If you have ideas for additional ways the pillars, practices, and/or Cs might be incorporated, jot those down, too. It's always great to get new ideas from others!

During tomorrow's lunch keynote, everyone will share their scavenger hunt findings in a variety of fun and interactive ways. The goal is to deepen our collective understanding of these APL elements and to exchange ideas about how to incorporate them into OUR OWN teaching so that the future educators we work with can incorporate them into THEIR teaching as well!
