Competencies

- All Gateways Credentials are moving toward a competency model. Through an Early Childhood Education Preparation Program Innovation (EPPI) grant, Nancy Latham at Illinois State University and Johnna Darragh at Heartland Community College were contracted as consultants to review the ECE Credential benchmarks.
- Work Groups are being formed for the new credentials to change to the competency model.

- The SAYD Credential work group has been formed and includes Dr. Stacey Horn—University of Chicago, Debbie Rogers-Jaye—Harold Washington College, and Tammy Notter—SAYD Committee Co-chair.
- The first competency work group call is February 3, 2017 from 10:00–11:00 am.
 - The Content Area titles must remain consistent across all Gateways Credentials because they are in statute.
 - The SAYD Credential benchmarks will be repacked into competencies and will not be lost during this shift.
