Competencies (Attachment A)

- Attachment A includes competencies required at each level.
- Some levels do not have competencies in each Content Area.
- The current SAYD Credential Level 2 requires:
 - Human Growth & Development
 - Curriculum or Program Design
- With the shift to competencies, the SAYD Credential work group determined additional foundational knowledge is needed for the SAYD Credential Level 2. Competency Content Areas for the SAYD Credential Level 2 includes:
 - Human Growth & Development
 - Health, Safety, & Well-Being
 - Curriculum or Program Design
 - Interactions, Relationships, & Environments
 - Family & Community Relationships
 - Personal & Professional Development
 - Program & Agency Governance & Function
 - Advocacy & Policy
- The current SAYD Credential Level 3 requires:
 - Human Growth & Development
 - Health, Safety, & Well-Being
 - Curriculum or Program Design
 - Interactions, Relationships, & Environments
 - Family & Community Relationships
- With the shift to competencies, the SAYD Credential Level 3 competencies include all nine SAYD Content Areas.
