

PDAC Steering Committee Agenda

10:30AM – 12:00PM

September 28, 2022

Mission: To promote, support and recognize professional preparation and training for all current and future early care and education, school-age, and youth development practitioners.

Vision: Illinois early care and education, school-age, and youth development practitioners are well-qualified professionals who educate, nurture, and meet the needs of children and youth in partnership with their families.

Values: We believe an effective professional development system is inclusive of practitioners in all settings serving children, youth, and families; service providers and program staff; and educators and trainers.
