

## Gateways Trainings Available to Meet DCFS Training Requirements

The Gateways i-learning system has many trainings to meet DCFS requirements. While we are not the only choice for your professional development, we are happy to provide the following trainings which fulfil DCFS requirements on the training topics listed below.

The following trainings are available FREE to all Illinois Child Care Providers with a valid Gateways Registry membership on the Gateways i-learning website, <https://courses.inccrra.org> or search the Gateways Training Calendar for training in your local area, <https://registry.ilgateways.com/find-training>. Please visit [registry.ilgateways.com](https://registry.ilgateways.com) to become a member or renew your Registry membership.
