

Examples of Courses and Trainings for ECE, ITC, and IDC Content Areas

Use this document as a guide to help you determine what will give you points toward a Gateways Credential. Credential Counselors are available to confirm that a course or training will assist you in obtaining additional Credential points. This document is generalized and does not list what you specifically need to take in order to obtain your Credential. However, it does provide a good idea as to what to look for when you are seeking additional coursework or training to meet the Education and Training requirements of the Credential(s).
